In our experience we have long since learned that the youngsters are first in the family whose wardrobe needs replenishing when the seasons change. Mothers, bring the boys to us. They will get the correct styles and qualities, and you will be pleased with the price. We show for spring wear an exceedingly large variety in Children's and Boys' Clothing, and no matter how fine you desire the prices will be found modest.

OUR MEN'S DEPARTMENT!

Is now in shape to show you all the new creations for the Twentieth Century good dresser. We want you to try on one of our 1901 Spring Topcoats. Doubtless you realize that the spring and fall overcoat is one of the most useful garments in a man's wardrobe. We have a magnificent variety of them.

A word about our Spring Shoes. We have the sole agency for Hanan & Son and the W. L. Douglas Shoe. Both manufacturers' names will suggest to you to come here for footwear.

Where will you get that hat? This question will easily be solved if you take the trouble to look in our Hat Window and

note the display of John B. Stetson's line. They are the newest shapes this celebrated factory produce. Range of price, \$3 to \$5. In our Tailoring Department we have never swerved from our policy to carry only the highest grades of goods and these made by the best of workmen. In leisure moments look through the department.
